PRODUCT DESCRIPTION

The **Partex Black on Yellow Letters & Symbols Markers** provide a simple and effective way to identify cables in electrical installations. Designed for use on **cable sizes 0.75sq to 4sq**, these markers feature bold black characters on a bright yellow background for maximum visibility.

Ideal for panel builders, contractors, and electricians, the markers are made from durable material that resists wear and tear, ensuring clear identification throughout the life of the installation. Each pack contains **200 markers**, covering a full set of letters and symbols for versatile marking solutions.
