PRODUCT DESCRIPTION

The **Cablecraft Edging Strip 1/2mm (34074)** is a durable and flexible **black PVC profile beading** designed for professional-grade edge protection. Supplied in a **25-metre roll**, this edging strip is ideal for use on panels, enclosures, metal sheets, and other surfaces that require a clean, protective finish. Its **1/2mm grip range** ensures a snug fit on thin materials, preventing damage from sharp edges and improving safety and aesthetics.

Manufactured from high-quality **PVC**, this edging strip offers excellent **resistance to wear, weather, and chemicals**, making it suitable for indoor and outdoor applications across electrical, automotive, and industrial settings.
