- 16:9 Wide screen format
- 21,5"
- Panel mounted or welded

Product description

The FPM-7000 Series is the most robust and industry-class screen in our range. With a full-length glass on the front, this monitor becomes IP66 classed and robust, which means that the frame does not feel and creates a significantly better overall impression than other series and models on the market.

With viewing angles and high brightness, this monitor is suitable for all types of applications
