

CROUZET SWITCHES - SERIES 83 731/83 732/83 733

83732327

Limit switch CO 5A 250VAC IP66

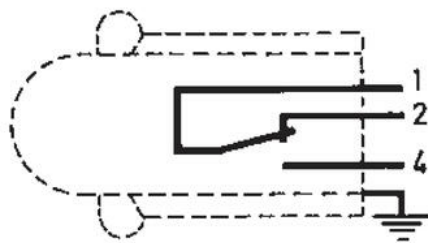

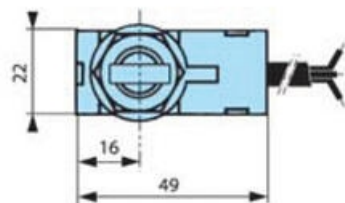

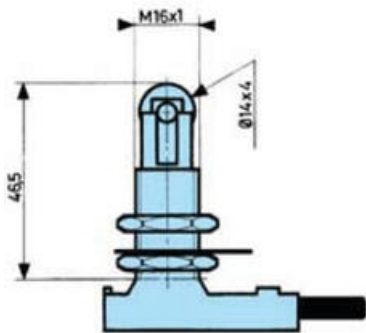

- Adjustable fixing via counternut
- IP66

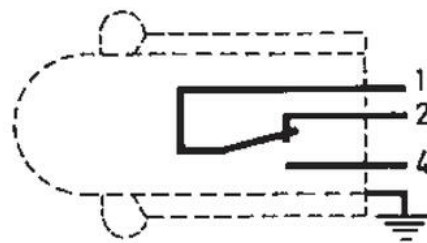

Product description

Specifications

Actuation Force My	15
Cable length	2000
Contact type	Changeover (SPDT)
Conventional Thermal Current	12
Hysteresis Max	2
IP Class	IP56
Operating Force Complete My	35
Rated current at 250 V AC	5
Temperature range from	-5
Temperature range to	70
Voltage Max	250
