## SUCO 0184/0185 PRESSURE SWITCH STAINLESS STEEL

Stainless steel body

0184461031486

10..100 bar, G1/4, CO, NBR, DIN, Stainless steel

- Connector included (DIN 43650/Form A)
- Five adjustment ranges from 0,5..5 bar to 50..200 bar
- Changeover (SPDT)
- Over pressure safety of 300 bar or 600 bar

## Product description

The 0184/0185 series is part of the changeover contact range from SUCO with an integrated plastic body and connector. Offering a maximum voltage of 250 V with a normally open and normally closed contact housed in a hex 27 stainless steel body offering a high pressure resistance. The switch point is very stable even after a long period of time and high load and is also adjustable on site and can come pre-set.

Common applications include power packs, mobile hydraulics, water systems, hydraulics generally and pneumatics.

## Specifications

| Adjustment range max        | 100                  |
|-----------------------------|----------------------|
| Adjustment range min        | 10                   |
| Approvals                   | CSA US, RoHS II      |
| Contact load max ac         | 4                    |
| Contact load max dc         | 0.25                 |
| Deviation max               | ±3,0-5,0             |
| Electrical connection       | DIN EN 175301-803-A  |
| Function                    | Changeover (SPDT)    |
| IP Class                    | IP65                 |
| Material of body            | Stainless steel      |
| Materials Wetted Parts      | Stainless steel, NBR |
| Max switching frequency/min | 200                  |
| Max. pressure               | 300                  |

| Membrane Material               | NBR     |
|---------------------------------|---------|
| Process connection              | 1/4 BSP |
| Temperature ambient from        | -20     |
| Temperature ambient to          | 80      |
| Temperature range of media from | -40     |
| Temperature range of media to   | 100     |
| Weight                          | 130     |
| Voltage AC / DC Max             | 250     |
| Voltage AC / DC Min             | 10      |
