

ACTI 9 RCBO 1 MODULE C CURVE

A9D73606

iSPN RCBO 1P+N 6A 30MA 1 MOD

- Slim 1-module design
- Dual safety protection
- Handles inrush loads
- Easy DIN rail mounting

PRODUCT DESCRIPTION

The **Schneider Electric Acti 9 RCBO 1 Module C Curve** delivers combined earth leakage and overcurrent protection in a slim, space-saving design. Ideal for residential, commercial, and light industrial circuits, it offers fast fault detection and safe disconnection. The C Curve characteristic makes it suitable for circuits with moderate inrush currents, such as lighting or small motor loads.
