

ACTI 9 IC60N MCBS C CURVE

A9F44101

Ic60N 1P 1A C Curve Mcb

- Complies with IEC/EN 60898-1 standards for guaranteed safety.
- Suitable for diverse applications up to 63A.
- Compact, modular design for easy installation.
- Enhanced durability and long-lasting operation.
- High-performance circuit protection with C Curve tripping characteristic.

Product description

The Acti 9 IC60N MCB C Curve provides reliable protection against short circuits and overloads. Designed for residential, commercial, and industrial applications, ensuring safe, efficient, and uninterrupted power distribution.
