

COMPACT INS ISOLATORS ACCESSORIES

28957

Terminal Shields INS40-80 3P/4P (2pc)

- Full compatibility – Designed for Schneider Compact INS isolators
- Enhanced functionality – Wide range of handles, shafts, and contacts
- Improved safety – Accessories that meet global standards

PRODUCT DESCRIPTION

Enhance the performance and flexibility of your **Schneider Compact INS isolators** with a full range of accessories. These include handles, shafts, auxiliary contacts, terminal shrouds, and other add-ons that make installation easier, improve safety, and expand functionality.

Engineered with the same reliability as the isolators themselves, Schneider accessories ensure seamless integration and compliance with safety standards. Perfect for contractors, panel builders, and OEMs who need a complete and adaptable isolator solution.
