

## ECOR MILD STEEL WALL CABINETS

EC060825

Enclosure Steel 800h x 600w x 250d IP66

- IP66 protection – shields against dust and powerful water jets
- Heavy-duty steel construction – built for industrial environments
- Reversible door design – flexible installation and easy access
- Robust steel construction – suitable for industrial environments
- RAL 7035 finish – standard industrial grey for consistency

### PRODUCT DESCRIPTION

The Ecor range from E.T.A. are medium to large enclosures for wall-mounting, available with single or double doors. All Ecor boxes are made from high-quality polyester painted steel and are IP66 compliant.

#### All Ecor boxes include:

- Enclosure base and door
- Mounting plate with required nuts
- Flange plate for cable entry
- DIN 3 lock and key
- Set of screws for grounding and assembly
- Cover plugs for mounting/hinge holes

#### Customisation services include:

- Custom dimensions
- Machining
- Colour service
- Assembly of components
