Product description

Fibox Piccolo Enclosures – Compact Protection for Industrial Components

The Fibox Piccolo series offers compact, high-performance enclosures designed to house push buttons, terminal blocks, motor starters, and electronic devices.Available in both polycarbonate (PC) and ABS materials, these enclosures provide excellent protection with IP66/IP67 ratings and impact resistance of IK08 (PC) and IK07 (ABS).With dimensions ranging from 110 x 80 x 65 mm to 230 x 140 x 125 mm, the Piccolo series is ideal for applications requiring reliable and durable housing solutions.
