

DEHN LIGHTNING & SURGE
PROTECTION FOR IT SYSTEMS

929121
DEHNpatch surge arrester

- Protection devices for Analogue signals
- Data Network in line protection
- RFID Life Check options

Product description

Specifications

Earthing arrangement	35mm DIN rails
Height	75
IP Class	IP10
Length	36
Max Continuous Operating Voltage (AC)	34
Max Continuous Operating Voltage (DC)	48
Nominal Voltage	48V
SPD Class	Type 2
Tariff code	85363010
Test standard	IEC 61643-21 / EN 61643-21
Weight	0.109
Width	19
