

PW AND INSPECTION WINDOWS

3730620

B24 10620-45

- High protection ratings – Rated to IP66 and IK09 for reliable protection in harsh environments
- Durable polycarbonate material – Transparent lid offers visibility while meeting rigorous impact resistance demands
- Various sizes available – For example: 342 × 295 × 88 mm and 452 × 400 × 88 mm models
- Professional finish – Clear cover lets technicians monitor components or indicators easily, reducing downtime.

Product description

Fibox PW Inspection Window – Polycarbonate Transparent Cover

The Fibox PW inspection window range is designed to give clear visual access to internal panel or enclosure components without ever opening the door. With a robust polycarbonate construction and high ingress and impact protection ratings (IP66, IK09) this inspection cover delivers professional, durable performance.
