

Ai Diffuse Light, Red, 24V

- A modified, extremely efficient integrating light source
- Compact, space saving design - ideally suited for inspecting small, specular objects
- Wide range of wavelengths

## Product description

## Specifications

Technical drawings of the M4 4PLCS cable head for 1.5 Meter and 3.0 Meter lengths. Each set includes three views: front, side, and top. Dimensions are provided in millimeters and inches. The front view shows a square head with a central circular feature. The side view shows the profile of the head. The top view shows the head from above. Dimensions include overall width (47.0 mm), overall height (71.9 mm), and various internal offsets (33.3 mm, 16.6 mm, 23.5 mm, 2.3 mm). The central circular feature has a diameter of 19.0 mm. The side view shows a thickness of 44.2 mm. The top view shows a central circular feature with a diameter of 49.5 mm. The cable length is 1.5 Meter (59 inches).
