

BASLER - CAMERA BAR LIGHTS

100x15mm, 150x15mm, 200x15mm

2200000636

Bar light, 213x20x20(200x15), 630 Red

- Integrated controller for perfect synchronisation
- Blue, red or white LEDs
- 100x15mm, 150x15mm, or 200x15mm light emitting surface
- Easy access to strobing and over drive functions

Product description

Specifications

Approvals	CE, EN61000-6-2, EN61000-6-4, RoHS
Color	Red
Connector/controller	Integrated controller, constant voltage (66.2x30x20mm)
Height	20
Humidity Storage	20-85%
Input voltage	24 V DC ($\pm 10\%$)
Length	213
Light dimensions	200mm x 15mm
Operating Humidity	20-85%
Operating temperature	0 ... 40°C
Power Consumption	6.1
Storage temperature	-20 ... +60°C
Wave-Length	630
Weight	200
Width	20
