

BASLER - CAMERA FLOOD LIGHTS

2200000658

Flood light, 278x51x49(255x45), 5500K White

- Integrated controller for perfect synchronisation
- Blue, red or white LEDs
- 255x45mm light emitting surface
- Easy access to strobe and over drive functions

PRODUCT DESCRIPTION

SPECIFICATIONS

Approvals	CE, EN61000-6-2, EN61000-6-4, RoHS
Color	White
Connector/controller	Integrated controller, constant voltage (66.2x30x20mm)
Height	49
Humidity Storage	20-85%
Input voltage	24 V DC ($\pm 10\%$)
Length	278
Light dimensions	255mm x 45mm
Operating Humidity	20-85%
Operating temperature	0 ... 40°C
Power Consumption	14
Storage temperature	-20 ... +60°C
Wave-Length	5500 K
Weight	830
Width	51
