

ADVANCED ILLUMINATION - EUROBRITE BAR LIGHT

Area LED Lighting

AL-S025300W-WHI

Ai EuroBrite™ Bar Light, wide spread, White

- On-Board Smart Drive - Straight loop between strobe and continuous operation
- Adaptive OverDrive - Optimized operation at strobe
- Thermal Foldback - Overheat protection
- Daisy-Chain - Connect up to 4 devices

Product description

The Eurobrite™ from Advanced Illumination, provides industry leading technology with value/pricing for inmached performance, complete with built-in control for continuous and strobe modes.

A feature of the Eurobrite™ is Adaptive Power™ which utilises onboard thermister to maximize light output in continuous mode. For strobe mode, Adapative Overdrive™ provides a maximal output pulse regardless of the exposure period.

Additional features of the Eurobrite™:

- IP67 sealed enclosure suitable for washdown environments.
- Rugged construction that has been tested to withstand over 1000lb.
- Industrial grade LEDs providing high-intensity illumination of 45klux (working distance of 200mm).
- Daisy chain up to 4 for a combined length of 48".
- Medium and wide spread lends options

Other wavelength options available:

- Royal blue - 455
- Blue - 470
- Cyan - 505
- Green - 530
- Amber - 590
- Red orange -625
- Red - 660
- Infrared - 730, 850, 940
- White - WHI

Specifications

Approvals	IEC 62471, CE, RoHS
Color	White
Connector/controller	Strobe/on-off control
IP Class	IP67
Length	300
Operating temperature	0 - 60°C
Photobiological Risk Factor IEC 6247	Group 1 (low risk)

Standard cable length	No cable included
Type of lens	Wide
Wave-Length	WHI
Weight	241
Width	64
