

WIRE CONNECTORS AND PUSH IN

30-4000
In-Sure Box Enclosure for connectors

- Tool-free installation – simply push in the wire for instant connection.
- Time-saving – reduces installation time compared to traditional screw connectors
- Safe & secure – vibration-resistant and designed to prevent accidental disconnection.

Product description

At Demesne, we supply a complete range of **wire connectors and push-in connectors** designed for fast, secure, and maintenance-free electrical connections. These connectors simplify installation by allowing direct insertion of conductors without the need for tools, saving both time and effort.

Built with durable, high-quality materials, our connectors ensure consistent performance across residential, commercial, and industrial applications. Whether you're wiring lighting circuits, junction boxes, or control panels, push-in technology guarantees a reliable connection every time.
