

MOUNTING PLATES PA02 AND PA1-MD/MDH

PA24BYRV

Cable Marker Black Text On Yellow 2.5-1

- Aids in production or installation
- Great flexibility in combination labelling
- Holder is easily loaded with MD mounting plate

Product description

Together, the accessories MDH (carabiner holder) and MD (studded stick) form a magazine that provides high flexibility and quick assembly. This is undoubtedly the most effective tool for combination labelling. -25 characters on one stick -10 loaded sticks in each package -Holder with carabiner has space for 20 knitting needles.
