PRODUCT DESCRIPTION

Partex PAL1CC – Complete Colour Coded Cable Marker Kit

The Partex PAL1CC is a complete colour coded cable marker kit supplied in a durable organiser case, providing a practical and structured solution for clear wire and cable identification. The kit includes a full assortment of pre-printed markers arranged for quick selection, making it ideal for panel builders, contractors and maintenance engineers who require consistent, long-lasting identification across control panels and electrical installations.

Partex PLD-DIS-FULL – 0–9 Cable Marker Dispenser

The Partex PLD-DIS-FULL is a compact cable marker dispenser covering numbers 0 to 9, designed for fast and convenient on-site wire identification. Supplied complete with a key-ring attachment for portability, it keeps numeric markers organised and easily accessible, making it a practical solution for electricians and service engineers working in panels, cabinets and field installations.
