TECHNO SOCKETS

THB.381.B3E.Z
Socket Connector, 3P, 0.25-1.0sq, IP68

- Made from high-quality materials for maximum lifespan.
- Ensures stable and safe electrical performance.
- Suitable for indoor and outdoor environments.
- Designed for quick setup with minimal downtime.

PRODUCT DESCRIPTION

Techno sockets are engineered for reliability, safety, and long-lasting performance in demanding electrical and industrial environments. Built with precision, these sockets are ideal for providing secure power connections across automation, machinery, and outdoor applications.
