

KDS-R-FDA ROUND CABLE ENTRY GLAND

29010.5
KDS-R-FDA 20-32 BU

- FDA-approved materials
- Hygienic food-safe seal Fast, tool-free fitting
- High chemical resistance
- Tight, secure closure

PRODUCT DESCRIPTION

FDA Certified KDS Seal Inserts give you a hygienic, food-safe seal for cable entry in demanding environments. Built from FDA-approved materials, they resist chemicals, handle washdowns, and maintain a tight, contamination-free barrier. Ideal for food processing, pharma, cleanroom systems, and any installation where safety and compliance are essential. Demesse supplies these inserts in multiple sizes for fast, reliable installation and long-term performance.
