SIGNAL TOWER MODULSIGNAL 50 MM

ModuleSIGNAL50 series

750001900
Auersignal VLL Module up to 250v AC/DC Amber

- Modular
- IP65 rated
- Temperature range -25 °C...+50 °C

Product description

The modules are easy to assemble and maintain. A broken light bulb can be changesd without havng to disassemble the whole tower. The base and the modules are protected so all maintanance procedures can be done even with power switched on. The base includes a 6 pole connector numbered from 0 to 5.

Specifications

Color House	Black RAL 9005
Color Lens	Orange
Diameter	50
IP Class	IP65
Lamp Socket	B15d
Number Of Optional Modules	5
Operating Voltage AC Max	250
Operating Voltage AC Min	12
Supply Voltage	250
Supply Voltage DC Min	12
Temperature range from	-25
Temperature range to	50
Terminal connection	2.5
Weight	100
