FORK CRIMPS

V70GK007001
Crimps Insulated Red Fork 3.2mm (Pack 100)

- UL Certified E333905
- Inflammableness classification UL94-V0
- RoHS Compliant Cable Connectors
- Polyvinyl Chloride Insulation
- Heat resistant from -20°C up to +75°C

PRODUCT DESCRIPTION

Our partly insulated spade terminals are designed for easy and secure electrical connections. With a partially insulated body, they provide excellent resistance to vibration and stress while offering quick installation. Ideal for use in automotive, industrial, and electrical applications, these terminals ensure long-lasting durability and reliable performance, making them a perfect solution for environments requiring both flexibility and strength.
