FULLY INSULATED CRIMPS

V70FV007001
Crimps Fully Insulated Red Push on 6.3mm (Pack 100)

- UL Certified E477752
- Inflammableness classification UL94-V0
- RoHS Compliant Cable Connectors
- Polyvinyl chloride strengthened with copper sleeve Insulation
- Heat resistant from -20°C up to +75°C

PRODUCT DESCRIPTION

Our **fully insulated female disconnect terminals** are designed to provide secure, reliable connections with maximum protection. Featuring full insulation, these terminals are perfect for **automotive**, **industrial**, and **electrical applications**, where safety and durability are critical. The insulated design ensures resistance to moisture, vibration, and wear, making them ideal for high-demand environments. Easy to install, these terminals allow for fast and secure disconnections, ensuring long-lasting performance and reliability in your electrical wiring projects.
