PIGGY BACK CRIMPS

V70FP007001
Crimps Insulated Red Piggyback 6.3mm (Pack 100)

- UL Certified E477752
- Inflammableness classification UL94-V0
- RoHS Compliant Cable Connectors
- Polyvinyl chloride strengthened with copper sleeve Insulation
- Heat resistant from -20°C up to +75°C

PRODUCT DESCRIPTION

Our **partly insulated piggyback disconnect terminals** offer a reliable and versatile solution for electrical wiring systems. Featuring a partially insulated design, these terminals provide excellent protection against vibration and moisture while allowing for easy connections and disconnections. The unique piggyback design enables two wires to be connected to a single terminal, ideal for applications in **automotive**, **industrial**, and **electrical systems**. These terminals are built for durability, ensuring long-lasting, secure electrical connections in various environments.
