

**PARTLY INSULATED MALE  
DISCONNECT TERMINALS**

V70FS007005  
Crimps Insulated Red Push on male 6.3mm (Pack 100)

- UL Certified E477752
- Inflammability classification UL94-V0
- RoHS Compliant Cable Connectors
- Polyvinyl chloride strengthened with copper sleeve  
Insulation
- Heat resistant from -20°C up to +75°C

Product description

Our **partly insulated male disconnect terminals** are designed for secure and efficient electrical connections, providing excellent protection and easy disconnection when needed. Featuring partial insulation, these terminals offer resistance to moisture, corrosion, and vibration, making them ideal for use in **automotive, industrial, and electrical applications**. The male disconnect design ensures a quick and reliable connection, while the insulation helps protect against electrical shorts. Perfect for demanding environments, these terminals ensure long-lasting, safe electrical performance.
